STATEMENT OF THE BOARD OF GENERAL DIRECTORS (Continued)

SUBSEQUENT EVENTS

According to the Board of General Directors, in all material respects, there have been no other significant events occurring after the balance sheet date, affecting the financial position and operation of the Company which would require adjustments to or disclosures to be made in the financial statements for the year ended December 31, 2025.

AUDITORS

The Company's financial statements for the year ended December 31, 2025 have been audited by CPA VIETNAM Auditing Company limited - A Member Firm of INPACT.

THE BOARD OF GENERAL DIRECTORS' RESPONSIBILITY

The Company's Board of General Directors is responsible for preparing the financial statements, which give a true and fair view of the financial position of the Company as at 31/12/2025 as well as of its income and cash flows statements for the year then ended, complying with Vietnamese Standards on Accounting, Vietnamese Accounting System and relevant regulations in preparation and disclosure of financial statements. In preparing these financial statements, the Board of General Directors is required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting principles have been followed, subject to any material departures disclosed and explained in the interim separated financial statements;
- Design, implement and maintain an effective system of internal control for the purpose of properly preparing and presenting the Separated Financial Statements, in order to limit errors and frauds;
- Prepare the separate interim financial statements on the going concern basis unless it is inappropriate to presume that the Corporation will continue in business.

The Board of General Directors is responsible for ensuring that proper accounting records are kept, which disclose, with reasonable accuracy at any time, the financial position of the Company and to ensure that the financial statements comply with Vietnamese Standards on Accounting, Vietnamese Accounting System and relevant legal regulations in preparation and presentation of the financial statements. The Board of General Directors is also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of frauds and other irregularities.

The Board of General Directors confirms that the Company has complied with the above requirements in preparing the financial statements.

For and on behalf of the Board of General Directors,

Nguyen Van Oanh
General Director
Hanoi, March 27, 2026

No: 215/2026/BCKT-CPA VIETNAM-NV2

INDEPENDENT AUDITORS' REPORT

**To: Shareholders
Boards of Management, Supervisors and General Directors
VC9 - No 9 Construction Joint Stock Company**

We have audited the accompanying financial statements of VC9 - No 9 Construction Joint Stock Company as set out on pages 06 to page 36, prepared on 27/3/2026, including the Balance sheet as at 31/12/2025, and the Income Statement, and Cash flows Statement for the year then ended and Notes to the financial statements.

Responsibility of the Board of General Directors

The Company's Board of Executive is responsible for the true and fair preparation and presentation of these financial statements in compliance with Vietnamese Accounting Standards, Vietnamese Accounting System and the statutory requirements relevant to the preparation and presentation of the financial statements, and for the internal control as the Board of General Directors determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibility of Auditors

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Vietnamese Standards on Auditing. These Standards require us to comply with the Standards and codes of ethics, to plan and perform the audit to obtain reasonable assurance as to whether the Company's separate financial statements are there any significant errors or not.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The audit procedures are selected based on the auditor's judgment, including the assessment of risks of material misstatement in the financial statements due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design appropriate audit procedures to the actual situation, which is not intended to give an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion of Auditors

In our opinion, the accompanying financial statements gives a true and fair view of, in all material respects, the financial position of the Company as at December 31, 2025 and the results of its operations and its cash flows for the year then ended in accordance with Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System and the statutory requirements relevant to preparation and presentation of the Financial statements in Vietnam.

Emphasized matters

As stated in Note 4 - Accounting policies applied, basis for preparing the Financial Statements, notes to the Financial Statements. The Company's financial statements as of January 1, 2025 and December 31, 2025 reflect accumulated losses of VND 103,2 billion (equal to 60.71% of equity) and VND 102,4 billion (equal to 60.23% of equity). The Company's ability to continue operating depends on the ability to collect receivables, extend loans, pay to suppliers and future business performance. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern.

Our audit opinion is not affected by this matter.

Nguyen Thi Mai Hoa**Deputy General Director**

1.2. Operating industries and principal activities

- Construction of civil and industrial projects, residential buildings, transportation and irrigation works, post and telecommunications infrastructure, water supply and drainage systems, foundations, urban technical infrastructure, industrial zones, power line and transformer station projects;
- Urban area development, industrial zone infrastructure development, and real estate business;
- Manufacturing and trading of construction materials, supplies, and equipment for the construction industry;
- Import and export of materials, equipment, handicrafts, agricultural, forestry, and aquatic products, consumer goods, and outdoor furniture for production and consumption;
- Import and export of machinery, equipment, and construction materials;
- Exploitation and trading of clean water and electrical energy;
- Real estate management services;
- Direct support services for transportation and vehicle parking services.

The Company's main activities in 2025: Construction of projects and real estate business.

1.3. Normal operating cycle

For investment and real estate business activities, as well as the construction of civil and industrial projects, the typical business cycle aligns with the construction duration of the projects.

For other activities, the Company's typical business cycle is conducted within a period not exceeding 12 months.

1.4. Statement of information comparability on the financial statements

The Board of General Directors ensures to follow all the requirements of the Vietnamese Accounting Standards and System, which were issued together with the Circular No. 200/2014/TT-BTC dated 22 December 2014 and Circular No. 53/2016/TT-BTC on amending and supplementing a number of articles of Circular No. 200/2014/TT-BTC dated December 22, 2014. Therefore, the information and figures presented in the financial statements are comparable.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended December 31, 2025

2. FISCAL YEAR AND ACCOUNTING CURRENCY**Fiscal year**

The Company's fiscal year applicable for the preparation of its financial statements starts on January 1, and ends on December 31, of solar year.

Accounting currency

The accompanying financial statements are expressed in Vietnam Dong (VND).

3. ACCOUNTING STANDARDS AND SYSTEM**Accounting System**

The Company applied to Vietnamese Accounting System promulgated under Circular No. 200/2014/TT-BTC dated 22 December 2014 issued by the Ministry of Finance and Circular No. 53/2016/TT-BTC dated March 21, 2016 amending and supplementing a number of articles of Circular 200/2014/TT-BTC dated December 22, 2014.

Statements for the compliance with Accounting Standards and System

The Board of General Directors ensures to follow all the requirements of the Vietnamese Accounting Standards and System, which were issued to guide the preparation and presentation of the Financial Statements.

Accounting form

The company uses the General journal accounting method.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**Basis of preparation of the financial statements**

The attached financial statements are expressed in Vietnam Dong (VND), under the historical cost convention and in accordance with Vietnamese Accounting Standards, Vietnamese Accounting System and legal regulations relevant to the preparation and presentation of financial statements.

The accompanying financial statements are not intended to present the financial position, results of operations and cash flows in accordance with accounting principles and practices generally accepted in countries and jurisdiction other than Vietnam.

Going concern assumption

The Company's financial statements as of January 1, 2025 and December 31, 2025 reflect accumulated losses of VND 103,2 billion (equal to 60.71% of equity) and VND 102,4 billion (equal to 60.23% of equity). The Company's ability to continue operations depends on its ability to recover receivables, extend loan terms, settle payables to suppliers, and achieve business efficiency in the future.

The Board of Management and the Board of General Directors have regularly evaluated and actively implemented crisis management plan to help the Company overcome the difficult period and continue to develop. The Company's solutions have been implemented during the past time are as follows:

- The Company focuses on developing its production and business activities, with the Board of General Directors always striving to ensure these plans are implemented effectively.
- The Company continues to ensure the payment of debts to suppliers, bank loans, and the continuation of construction contracts, real estate projects, and high-efficiency office leasing services, which compensate for the Company's regular operations. This forms a foundation for the Company to maintain stable business operations in the coming period.

The Company's Board of General Directors has carefully assessed the business and cash flow plans, as well as the ability of loans recovery to have finance sources in order to pay debts and financial obligations. The Board of General Directors believes that the financial statements prepared on the going concern basis are appropriate.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended December 31, 2025

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**Accounting estimates**

The preparation of the financial statements in conformity with Vietnamese Accounting Standards requires the Board of General Directors to make estimates and assumptions that affect the reported amounts of liabilities, assets and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the fiscal year. Actual results may differ from those estimates and assumptions.

Cash

Cash comprises cash on hand, bank deposits.

Financial investments***Held to maturity investments***

Held to maturity investments includes: term bank deposits with original maturities of more than 3 months, held-to-maturity loans for the purpose of earning periodic interest and other held-to-maturity investments.

Held-to-maturity investments are recorded at cost and are measured at fair value based on the recoverable amount of the investment.

Loans

Loans are stated at cost less allowance for doubtful loans.

Allowance for doubtful loans is made in conformity with current accounting regulations..

Other investments

Recorded at cost, including purchase price plus directly attributable acquisition costs. After the initial recognition, these investments are measured at cost less allowance for diminution in value of investments.

Allowance for loss of investments

Allowance for losses of investments in other entities is made when there is apparent evidence for impairment in value of the investments as at the balance sheet date

Receivables

The receivables comprise the customer receivables and other receivables. Receivables are recognized at the carrying amounts less allowances for doubtful debts.

Allowance for doubtful debts is assessed and made for overdue receivables that are difficult to be collected, or the debtor is unable to pay due to dissolution, bankruptcy or similar difficulties.

Inventories

Inventories are measured at the lower of cost and net realizable value. Cost of inventories comprise costs of direct materials, direct labor, and general operation (if any) incurred in bringing the inventories to their present location and conditions. Net realizable value is the estimated selling price of inventory items less all estimated costs of completion and costs of marketing, selling and distribution. The Company uses the perpetual inventory method. The cost of inventory issuance is calculated using the specific identification method.

The Company's allowance for impairment of inventories is made when there is reliable evidence of impairment of the net realizable value compared to the history cost of inventories.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended December 31, 2025

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**Tangible fixed assets and Depreciation**

Tangible fixed assets are stated at history cost less accumulated depreciation. Historical costs of tangible fixed assets include all the expenses paid by the Company to bring the asset to its working condition for its intended use.

Tangible fixed assets are depreciated using the straight-line method over their estimated useful lives. Details are as follows:

	<u>Years</u>
Buildings, structures	10 - 50
Machinery and equipment	05 - 15
Motor vehicles	06 - 10
Office equipment	03 - 06
Others	05 - 25

When a tangible fixed asset is sold or disposed, its historical cost and accumulated depreciation are written off, then any gain or loss arising from such disposal is included in the income or the expenses during the year.

Intangible fixed assets and Amortization

Copyrights, patents and computer software and other intangible assets are initially stated at purchase less accumulated amortization.

Land use rights, computer software and other intangible fixed assets are allocated to the Income Statement using the straight-line method with specific depreciation periods as follows:

	<u>Years</u>
Land Use Rights	47
Computer Software	10
Others	20

Principles of accounting and depreciation of investment real estate

Investment properties include land use rights and the construction value of the Vinaconex 9 building (*now the Tasco building*) located at Lot HH2-2, Pham Hung Street, Tu Liem Ward, Hanoi. These properties are held by the Company for rental income or capital appreciation and are presented at cost less accumulated depreciation.

Investment properties for lease are depreciated using the straight-line method based on their estimated useful lives, as follows:

	<u>Years</u>
Buildings, structures	47
Machinery and equipment	10 - 20

Disposal: Gains or losses from the disposal of investment properties are determined by the difference between the net proceeds from the disposal and the carrying amount of the investment properties. These are recognized as income or expenses in the Income Statement.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended December 31, 2025

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**Prepaid expenses**

Prepaid expenses comprise actual expenses arising but relevant to financial performance in several accounting periods. The Company's prepaid expenses includes: Long-term rental cost of office floor at Tasco building at lot HH2-2, Pham Hung street, Tu Liem ward, Ha Noi; Tools and supplies and Others.

Expense Long-term rental cost of office floor at Tasco building at lot HH2-2, Pham Hung street, Tu Liem ward, Ha Noi.

Allocated according to office usage time under long-term lease contract

Tools and supplies

Tools and supplies are recorded to expenses and depreciated to on a straight-line basis with useful life of not exceeding 3 years.

Others

Other pending allocation costs are allocated to expenses by the straight-line method for no more than 3 years.

Construction in progress

Construction in progress reflects the Properties in progress for production, leasing, administrative purposes, or for any other purposes are recognized at the historical cost. This cost includes relevant service fees, interest fees in accordance with the Company's accounting policies. Depreciation of these assets is the same as the other assets, commencing from these assets are ready for their intended use.

Payables

The account payables are monitored in details by payable terms, payable parties, original currency and other factors depending on the Company's management requirement.

The account payables include payables as trade payables, loans payable, intercompany payable and other payables which are determined almost certainly about the recorded value and term, which is not carried less than amount to be paid. They are classified as follows:

- Trade payables: reflect payables of commercial nature arising from the purchase of goods, services, or assets, payables for import through trustees of which the seller is an independent entity with the Company, including payables between the Company and the Parent Company).
- Other payables reflect payables of non-commercial nature and irrelevant to purchase, sales of goods or provisions of services.

Loans

Loans and finance lease liabilities include loans, financial leases, excluding loans in the form of bonds or preference shares with terms that the issuer is required to repurchase at a certain point in the future.

The Company monitors loan amounts and financial liabilities in details by each type and classifies them into short-term and long-term according to repayment term.

Expenses directly related to the loan are recognized to financial expenses, except for expenses incurred from a separate loan for investment, construction or production in progress, which are capitalized according to Accounting Standard "Borrowing costs".

Recognition and capitalization of Borrowing costs

All other borrowing costs are recognised in the Income statement when incurring, except for the borrowing cost capitalized under Vietnamese Accounting Standards "Borrowing cost".

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended December 31, 2025

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**Accrued expenses**

Accrued expenses are those already recorded in operating expenses in the period/year but not actually paid to ensure that when these expenses actually occur, they will not have a significant influence on operating expenses based on matching principle between income and expenses.

The Company recognizes Accrued expenses as follows: Advance provision for real estate project cost, advance provision for loan interest expense, advance provision for construction cost according to volume acceptance minutes.

Unrealized revenues

Unrealized revenues includes: The difference between the selling price and the leaseback price of the finance leased asset is allocated by the straight-line method based on the lease term of the contract.

Owners' equity

Capital is recorded according to the actual amounts invested by owners.

Treasury shares are shares issued by the Company and repurchased by the Company. Treasury shares are recorded at their actual value and presented on the Balance Sheet as a reduction in equity.

Profit after corporate income tax is distributed to shareholders after setting up funds in accordance with the Company's Charter as well as the provisions of law and approved by the General Meeting of Shareholders.

Dividends are recognized as liabilities after approval by the General Meeting of Shareholders.

Revenue and other income

The Company's revenue includes: Sales revenue, service revenue, long-term office rental revenue, real estate business revenue and construction revenue.

Revenue from sale of goods

Revenue from sale of goods shall be recognized when it satisfies all the five (5) conditions below:

- The Company has transferred to the buyer the significant risks and reward of ownership of the goods;
- The Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- The amount of revenue can be measured reliably;
- It is probable that the economic benefits associated with the transaction will flow to the Company;
- Costs related to transactions can be determined.

Revenue from services

Revenue from services is recognized when the outcome of that transaction can be reliably determined. Where a transaction involving the rendering of services is attributable to several periods, revenue is recognized in the year by reference to the percentage of completion of the transaction at the balance sheet date of that period. The outcome of a transaction can be measured reliably when all four (4) following conditions are satisfied:

- The amount of revenue can be measured reliably;
- It is probable that the economic benefits associated with the transaction will flow to the Company;
- Identify the completed work as at the balance sheet date; and
- Determine the costs incurred for the transaction as well as the cost to complete the transaction to provide that service.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended December 31, 2025

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**Revenue and other income (Continued)*****Revenue of construction***

Revenues of construction are reliably recognized in the following cases:

- For construction contracts stipulating that the contractor is paid according to the planned schedule, the revenue and expenses related to the contract are recognized in equivalent proportion to the completed work determined by the Company as at the balance sheet date.
- For construction contracts stipulating that the contractor is paid according to the value of the volume performed, the revenue and expenses related to the contract are recognized in equivalent proportion to the completed work confirmed by the customer and reflected on the issued invoice.

Increases and decreases in construction volume, compensation and other revenues are recognized as revenue only when agreed with the customer.

Revenues of construction are not recognized in the following cases:

- Revenue is recognized in equivalent proportion to contract costs which is probable to be paid.
- The contract costs are recognized to expenses only when they actually incur.

The difference between the cumulative revenue of the construction contract as recorded and the cumulative amount recorded on invoices according to the planned progress of the contract is recognized as a receivable or payable according to the planned progress of the construction contracts.

Revenue from the sale of real estate

The Company's revenue from sale of real estate is recognized when it satisfies all following conditions:

- The real estate is totally completed and handed over to the buyer. The Company has transferred the significant risks and rewards of ownership of the real estate to the buyer.
- The Company does not retain managerial right over the real estate as the owners or control involvement with the real estate.
- The amount of revenue can be measured reliably.
- It is probable that the economic benefits associated with the transaction will flow to the Company.
- The costs incurred in respect of the transaction can be measured reliably.

Revenue of operating lease

The Company applies the provisions of Circular 200/2014/TT-BTC dated December 22, 2014 of the Ministry of Finance on guiding the Enterprise Accounting Regime to record revenue from asset rental. In case the lease term accounts for more than 90% of the useful life of the asset, revenue is recognized once for the entire rental amount of receivables in advance if all four (4) of the following conditions are simultaneously satisfied:

- The lessee has no right to cancel the lease contract and the Company is not obliged to return the amount of receivables in advance in any cases and forms;
- The amount of receivables in advance from the lease is not less than 90% of the total lease amount expected to be collected under the contract during the lease term and the lessee must pay the entire lessee amount within 12 months from the commencement date of the lease;
- The Company has transferred the significant risks and rewards of ownership of the leased assets to the lessee;
- The cost incurred from the leasing is relatively fully estimated.

At the same time, the Company performs one-time depreciation of the invested real estate into the cost of the rental service.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended December 31, 2025

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**Revenue and other income (Continued)*****Revenue from interest income, dividends and profits received and other income:***

The revenue is recognized when the Company can obtain economic benefits from the above activities and when it is reliably measured.

Cost of goods sold

Cost of goods sold or services rendered including the cost of services, investment property, production cost of construction products sold during year is recorded corresponding to revenue of the period. For cost which is over the normal level of inventories is recorded directly into the cost of goods sold.

Financial expenses

Borrowing costs: Recorded monthly based on loan amount, interest rate and actual number of days borrowed.

Current corporate income tax expense

Corporate income tax expenses (or corporate income tax income): is total current income tax expenses (or total current tax) in determining profit or loss of a period.

Current income tax expenses: are corporate income tax payable calculated on taxable profit during the year and current corporate income tax rate. Current income tax is calculated on taxable income and applicable tax rate during the tax period. Difference between taxable income and accounting profit is from adjustment of differences between accounting profit and taxable income in accordance with current tax policies.

The Company has an obligation to pay corporate income tax at the rate of 20% on taxable profits.

The determination of the Company's income tax is based on current tax regulations. However, these regulations change from time to time and the final determination of corporate income tax depends on the examination results of the competent tax authorities.

Basic earnings per share

Basic earnings per shares is calculated by dividing net profit (loss) after tax for the year attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year.

Related parties

A party is considered a related party of the Company in case that party is able to control the Company or to cause material effects on the financial decisions as well as the operations of the Company. A party is also considered a related party of the Corporation in case that party is under the same control or is subject to the same material effects.

When considering the relationship of related parties, the nature of relationship is focused more than its legal form.

Segment reporting

A business segment is a distinguishable component of the Company that is engaged in manufacturing or providing products or related services (by business segment) or in providing products or services within a particular economic environment (geographical area) which is subject to risks and returns that are different from those of other segments. The Board of General Directors confirms that the Company operates in business segments of real estate business, construction, service activities and other activities in a single geographical segment - Vietnam. Therefore, the segment report will be prepared by business segments.

The Company's investment real estate for lease is the value of the basement, 1st and 5th floors of the Tasco building (formerly the Vinaconex 9 building) at lot HH2-2 Pham Hung street, Tu Liem ward, Hanoi city, Vietnam. Revenue in the year from investment real estate leasing activities is VND 1,160,266,092, the cost price corresponding to this activity is VND 187,814,150 (in 2024, revenue from investment real estate leasing is VND 322,908,000, the cost price corresponding to this activity is VND 175,631,100).

As of December 31, 2025, the investment property for lease, with a residual value of VND 6,197,866,957 (VND 6,385,681,107 as of January 1, 2025), is mortgaged to the bank to secure the Company's loans.

The fair value of the investment properties has not been formally assessed and determined as at 31/12/2025. However, based on the leasing situation and market prices of these properties, the Board of General Directors believes that the fair value of the investment properties is greater than the remaining book value at the end of the financial year.
